### **Directions to Rolestown National School from Swords Main Street:**

At the northern end of Swords Main St. there is a huge castle directly opposite you and a set of traffic lights. You should turn left at these lights, signed to Ashbourne.

You now are on the Rathbeale Road (R125) and as you drive out this road you will leave the village of Swords behind and it will become gradually more country/rural. You keep driving on this road for approx 7km.

You will know you are nearing Rolestown when you pass a very big hotel called "Kettles Hotel" on your left-hand side. Continue on for approx 1km and you will see a large turn to the right at a group of cottages. You will also see a sign for Fingal Ravens GAA club to the right here.

Turn right at this sign and about 500 metres further on, turn right again at the T-junction. Pass the church on your right and turn left straight after the church, towards the cemetery. The school is now visible in on your left hand side, keep driving around on this road until you reach the school entrance.
